* NOTE: THIS PATTERN WAS CREATED TO USE A VARIETY OF CHARM PACKS AND LAYER CAKES (PRE-CUT FABRIC PACKS). IF YOU PREFER TO USE YOUR OWN FABRIC, I HAVE ASSIGNED A "-OR-" ALONG WITH THE TOTAL YARDAGE YOU WILL NEED FOR EACH CUT.

ASSEMBLY (1) *KEEP GOING UNTIL YOU HAVE USED ALL OF YOUR (D) PIECES, YOU WILL STILL HAVE LEFTOVER (E) STRIPS.*

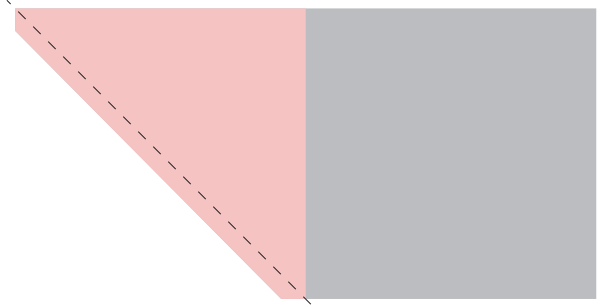

TAKE YOUR (D) 5" SQUARES AND (E) 10" X 5" STRIPS.

LINE UP THE LEFT SIDE OF THE FABRICS, RIGHT SIDES TOGETHER. STITCH ON THE DIAGONAL.

TIP: USE A FABRIC MARKER TO DRAW YOUR DIAGONAL LINES FIRST, IF IT HELPS!

FOLD THE SQUARE IN HALF ALONG THE LINE YOU'VE JUST SEWN. PRESS FLAT. YOU CAN TRIM EXCESS FABRIC.

REPEAT SAME STEPS ABOVE FOR THE RIGHT EDGE. YOUR FINISHED PIECE SHOULD STILL MEASURE 5" X 10".

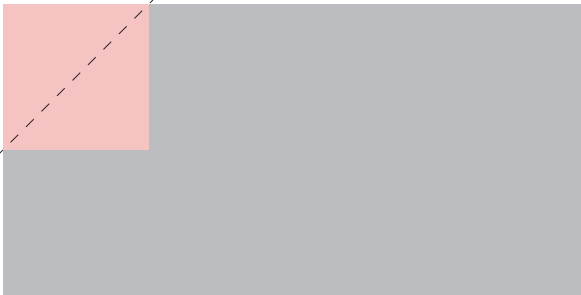

ASSEMBLY (2) *KEEP GOING UNTIL YOU HAVE USED ALL OF YOUR (C) PIECES, YOU WILL STILL HAVE LEFTOVER (E) STRIPS.*

TAKE YOUR (C) 2.5" SQUARES AND (E) 10" X 5" STRIPS.

SIMILAR TO THE PROCESS IN STEP (1)...

LINE UP YOUR SMALLER SQUARE IN THE CORNER OF YOUR LARGER STRIP.

SEW ON THE DIAGONAL LINE.

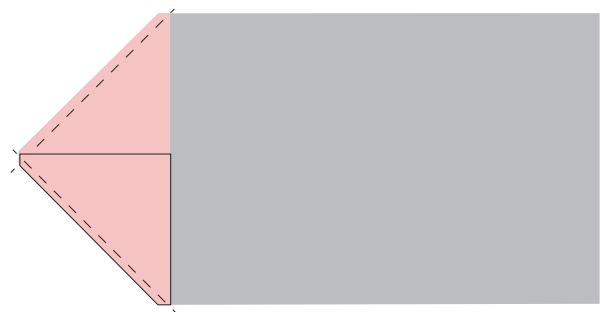

FOLD YOUR FABRIC BACK ALONG THE DIAGONAL AND PRESS.

DO THE SAME STEPS FOR THE OTHER SIDE.
YOUR PIECE SHOULD LOOK LIKE THIS.

TRIM OFF EXCESS FABRIC AT 1/4".

**A NOTE ABOUT IRONING YOUR SEAMS... I USUALLY KEEP MY SEAMS CLOSED AND PRESSED TO ONE SIDE, BUT IF YOU PREFER, YOU CAN IRON THEM OPEN.*

TIME FOR THE LAYOUT – YAY! WASN'T THAT QUICK AND EASY?

REFER TO THE LAYOUT OF THE QUILT SIZE YOU CHOSE IN THE NEXT FEW PAGES.

LAY OUT YOUR PIECES BEFORE YOU BEGIN ASSEMBLY. TRY TO GET A GOOD MIX OF FABRIC PRINTS AND SIZES SCATTERED THROUGHOUT THE QUILT IF YOU ARE USING MULTIPLE FABRICS FROM A CHARM PACK OR LAYER CAKE AND AVOID HAVING 2 OF THE SAME FABRICS BESIDE EACH OTHER.

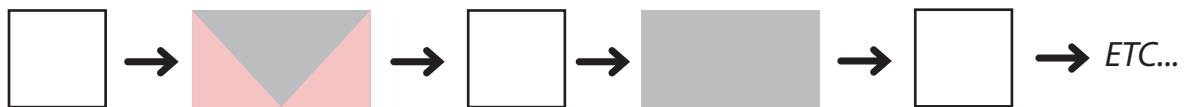

TIPS FOR ASSEMBLY

I SUGGEST YOU ASSEMBLE YOUR PIECES TOGETHER BY ROWS, GOING ACROSS - LEFT TO RIGHT.

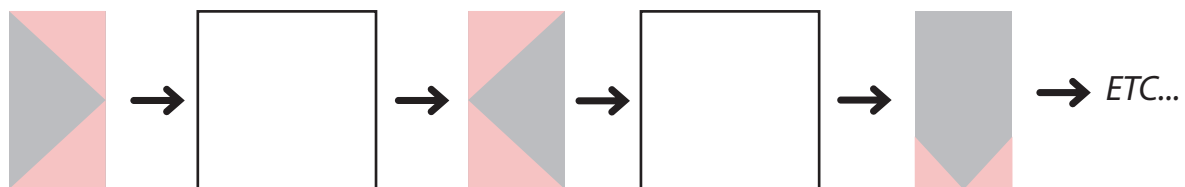

THEN SEW EACH OF YOUR ROWS TOGETHER TOP TO BOTTOM.
IT WILL MAKE THINGS EASIER AND KEEP YOU ORGANIZED.

DON'T FORGET TO NEST YOUR SEAMS AS YOU SEW TO HELP YOU LINE UP THOSE CORNERS!

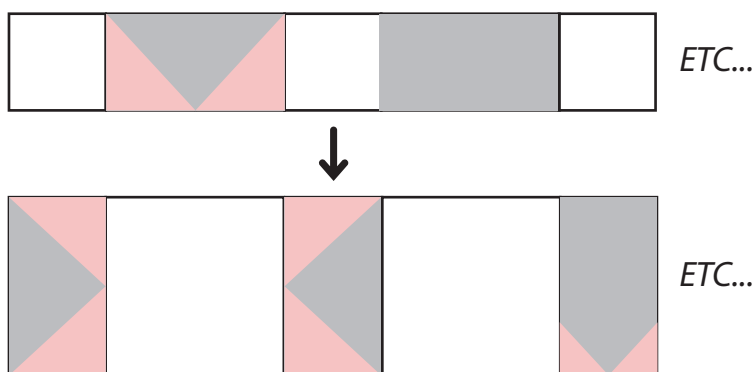

STEP 1 - (WORK LEFT TO RIGHT ON ROW 1)

STEP 2 - (WORK LEFT TO RIGHT ON ROW 2)

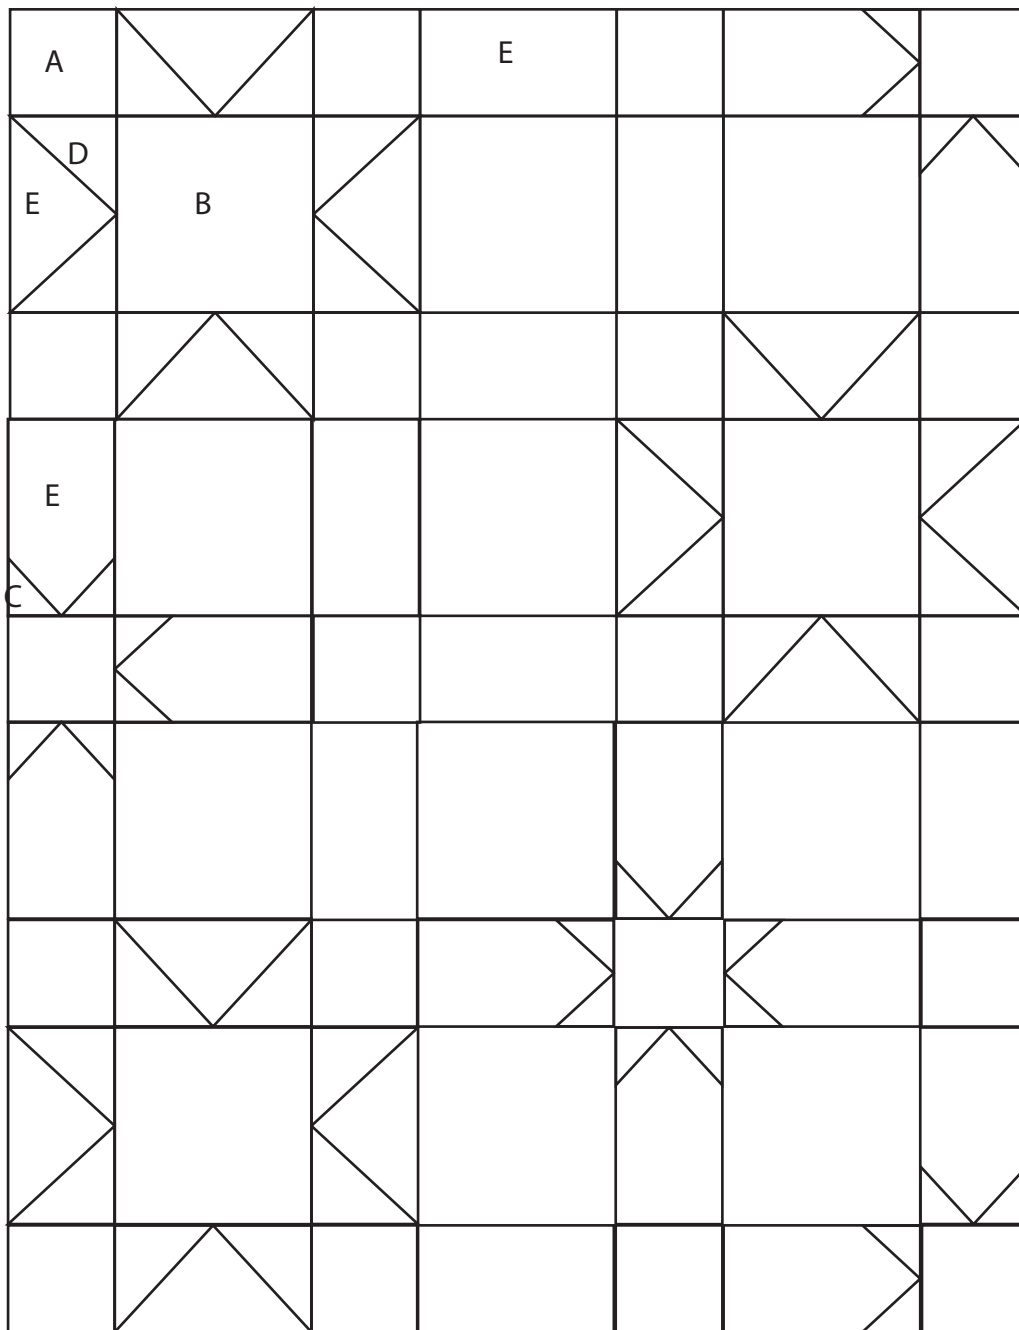

STEP 3 - (SEW ROWS 1 AND 2 TOGETHER)
